18 AUG 1964

Respected Sir,

We, the undersigned, residents of the locality Kabir Road, Mandi Mohalla, Mysore city, most respectfully and humbly beg to submit the following few lines to your kind consideration and sympathetic disposal

We beg to submit that there exists a small temple in the southern end of the Kabir Road, which is in a most deplorable and uncared for condition This is known as " Chandragupteswara temple," Ellamma temple. To this temple, only the Saiva Karnataka people offer their usual worship and none else

It is learnt that this class of people has applied to the City Municipality, Mysore, praying for permission to improve the said temple and the necessary inspection of the spot is also been done and in this connection certain houses which are nearby have also been proposed for acquisition and the owners thereof are issued with the notices therefor and calling for their objections if any

The said temple, we beg to submit is a very old one and of no importance and now it is in a most neglected condition, it contains no "Moola Vigraha" neither the "Utsavamurthi" and during such pujas offered by these people it has been the customary to offer sacrifices there-such as the killing of animals, goats, etc , buffaloes, fowls etc , etc , This scene is very unpleasant and prejudicial to the religious sentiments of other classes who are living nearby

P T O

This state of affairs was brought to the kind notice of the President, City Municipality, Mysore and clearly pointed out in their petitions that there would be much inconvenience and trouble to the residents of the locality in case the improvements contemplated by these people are encouraged and the proposal so made was approved This so far, has brought us any relief in the matter

In the circumstances above detailed, it is earnestly prayed that the locality in question be kindly inspected and the facts duly verified, and the relief to the petitioners granted by rejecting the proposal of the Saiva hamsteas people of their prayer to effect the improvements to the said temple

For which act of kindness and generosity, we in duty bound be ever grateful to you and pray for your long life and ever increasing prosperity

We beg to remain,
